

My name is Claire Anastas. I am a Palestinian Christian, and I have lived all my life in Bethlehem where Jesus was born. My family including my husband, mother, and children live in one of the apartments in a house on what was once a major road. My brother-in-law and his family live in another apartment in the same building. In all, there are five adults and nine children living in our building. For many years I operated a thriving gift shop on the ground floor.

It is my fervent prayer that technology will help us survive financially. We now have an [online store](#) where you can [purchase Palestinian gifts](#)

and help support local Palestinian craftspeople. We will ship your purchases to you anywhere in the world.

If you don't see what you are looking for, please [get in touch with me](#) . I will do my best to accommodate you.

And please keep us in your prayers.
